CALL FOR ABSTRACTS

The Ludwig Boltzmann Gesellschaft invites researchers to submit their abstract for presentation at the upcoming LBG Meeting for Health Sciences. The conference focuses on the translation of research results from theory into practice. Therefore, abstracts on preclinical, clinical or implementation research are welcome.

CONFERENCE PROGRAMME, REGISTRATION AND CALL FOR ABSTRACTS
www.healthsciences.lbg.ac.at

Abstract submission for oral presentations or posters
(abstract max. 2.300 characters)
